Indy ASQ is listening...

Indy ASQ Members may attend Indianapolis events at other Indiana Alliance of Professional Societies and receive recertification points!

THANK YOU!

The Indianapolis ASQ section was excited to serve as hosts for the 2013 World Conference for Quality in May.

Well over 100 people volunteered to serve on committees and man posts during the conference. This event afforded many members the opportunity to attend and network with ASQ members from all over the world.

We look forward to seeing you
